VOL. XXVI. NO. 73 GAINESVILLE, FLORIDA, SUNDAY, MAY 2, 1909 TEN CENTS A WEEK

DEATH WIDESPREAD IN GREAT STORM'S WRATH

Over Many States Are Being Augmented the Lists of Dead and Toll of Millions Lost in Property.

ATLANTA, May 1.—Cyclones and tornadoes, the like of which have not been known for years, swept through the South Thursday night and Friday, leaving in their wake hundreds of dead and mangled bodies, and the dismantled wrecks of property worth many millions.

Tennessee was an especially heavy sufferer. Careful estimates indicate that at least fifty people were killed in that State alone, with monetary loss of $1,000,000. At Franklin and in Hillsboro there was loss of life. The latter town is said to be practically destroyed, while at Centerville and adjoining villages the loss is reported heavy, both in lives and property.

Near Pulaski, Giles county, the death list reached twelve and many are injured.

Many Small Towns Wrecked.

In the vicinity of Chattanooga the storm was felt at its worst. Telephone and telegraph wires were blown down, and the movement of trains was greatly hampered. The hurricane followed the Cumberland Valley, wrecking small towns and destroying farm houses.

At Ebenezer eighteen houses were blown down.

At Charleston, the storm swerved up the Hiawassee river, destroying much property. At Fayetteville three are known to have perished. At Cuba many houses were blown down and at Gilestown not even a shed was left standing.

Memphis reports heavy loss from towns within a radius of 100 miles in three States.

At Horn Lake, Miss., half a dozen lives were lost and the property damage was very heavy.

The Storm in Georgia.

In Arkansas eight persons were killed near Mammoth Springs and a score of buildings wrecked. Other points in Arkansas report heavy loss.

Atlanta and most of Georgia escaped with only slight property loss during the blow.

The hurricane continued upon its course of destruction in Alabama last night. Huntsville sends word of heavy loss of property, with probably several lives sacrificed near the Tennessee line.

At Danville, in Morgan county, Alabama, the storm struck with terrific force. At Hartsell at least one is dead and many hurt.

Georgia Family Wiped Out.

Soon after dark the storm winds began shooting across the rail, telegraph and telephone lines connecting Atlanta with Chattanooga and Knoxville, and wire communication, which had been kept up with great difficulty during the afternoon, ceased entirely. The Western Union and Atlanta Railroad offices here reported that south of Chattanooga, near Emerson, Ga., several big trees were blown across the railroad right of way, tearing down wires and holding up five trains.

The death totals were swelled last night by three lightning victims at Monroe, Ga. Late yesterday afternoon a rushing windstorm, accompanied by blinding lightning, broke over Monroe and one of the bolts struck the residence of M. B. Barrett, tearing down the chimney. Barrett, his wife and his 17-year-old daughter were killed, and a 10-year-old son and a younger child were seriously shocked.

The Storm in the West.

CHICAGO, May 1.—Belated reports show that the death and destruction caused by the terrific storm that swept over the Middle West Thursday night were more extensive than at first estimated by the meager telegrams carried over damaged wires. Three men were killed in Chicago by the collapse of a factory. Homeless men, women and children spent yesterday in strange houses in many suburbs, where the storm had upset unsubstantial houses.

In the path of the storm before it reached the Great Lakes region, great destruction of property is reported. At least eleven persons were killed.

At Golden, Mo., the business part of the town was destroyed and many homes were wrecked. Five persons lost their lives.

At Summersville, Mo., the wind created havoc and two persons were killed. Many were injured.

The storm was furious in Southern Illinois and at Texas City, near Carmel, four persons were killed and many seriously wounded. The town was wrecked.

Great damage to property and crops was caused in Michigan on the east shore of Lake Michigan, Benton Harbor and South Haven being in the path of the storm.

Notice! Notice!

Every member of the Baptist church are especially requested to be present at the night service Sunday. Important to you. S. B. ROGERS.

MARKET FOR SEA ISLANDS RULED FIRM

DEMAND FAIR AND PRICES ADVANCED SLIGHTLY.

The Eastern Georgia Counties Report a Considerable Reduction in the Acreage—Market Quotations.

SAVANNAH, Ga., May 1.—The market for Sea Islands has ruled firm, with a fair demand, and prices have worked a little higher. At the close there still appears some unsatisfied inquiry, and offerings are light, especially of the higher grades.

The comparative position of the market is considered good. The total unsold stock here is thought not to exceed 3,000 bales, and it is not believed that more than about 3,000 bales remain in the country; so that the entire present available supply for the remainder of the season may be put at about 6,000 bales, with about 500 bales more unsold at Charleston. Last season the sales after April 30 amounted to about 10,000 bales, and about 3,500 bales were left in the country. The supply this year is consequently hardly one-half as large as last year, despite the increased crop.

Accounts from the new crop are irregular. The Eastern Georgia counties report a considerable reduction in the acreage, and the outlook is not very promising. In the southern counties there seems to be about 10 per cent increase, and the crop is stated to be more advanced and promising than ever before at this season. In Florida conditions are mixed, and the average acreage seems to be about the same as last year.

Sales for the week were 771 bales.

The following prices were based on factors' quotations and are revised weekly on Fridays:

Fancy Floridas	20 @21
Fancy Georgias	20 @21
Ex. choice Floridas	18 @19
Ex. choice Georgias	18 @19
Choice Ga's. and Fla's	16 @17
Ex. fine Ga's. and Fla's	14 @15
Fine Ga's. and Fla's	12 @13
Common Ga's. and Fla's	10 @11

CHARLESTON, S. C., May 1.—Sea Islands; market quiet; fine, 30c; extra fine, 22c; fully fine, 23c; receipts, none; exports, 6; sales, 106; stock, 981.

WEAVER'S LAUNDRY DESTROYED BY FIRE

Weaver Bros.' Gainesville Steam Laundry burned to the ground at 2 o'clock this morning. The building was burning fiercely when discovered, and the firemen were powerless to prevent its destruction.

Pinkoson Makes Catch.

Special Officer Pinkoson of the A. C. L. is proving quite a detective. On Frid the switch was thrown at Weirsdale and he was notified of the transaction and to go and work up the case. Shortly after arriving upon the scene he arrested Reuben Gordon, a negro, and after some rigid questioning the negro broke down and acknowledged the deed. Fortunately the section master discovered the trap just in time to save the passenger train from a serious wreck.

The Hyde Company.

The G. W. Hyde Company have a page advertisement in this issue of The Sun in which they offer many rare bargains. By reference to the list it will be seen that it comprises many very reasonable and choice goods which can be bought at a low price. The white wash goods form a very particular part of the announcement and all intending purchasers should read it carefully.

SENATE VOTED 20 TO 10 FOR DISFRANCHISEMENT

Bill Providing for Summer Training Schools Advanced to Third Reading---The House.

TALLAHASSEE, May 1.—After listening for over an hour to one of the most eloquent addresses ever delivered on the floor of the Florida Senate, that body yesterday adopted the Beard disfranchisement measure by a vote of 20 to 10.

Senator Beard handled his subject in an able manner that held the closest attention of his listeners. He attacked the validity of the Fifteenth Amendment in the strongest terms. None others spoke except to explain their votes.

The only other discussion was upon the Massey bill providing for summer training schools for teachers at the State University at Gainesville, the College for Women at Tallahassee and the State Negro Normal. Senator Dayton wanted the bill amended to include a normal at Dade City for the country teachers of South Florida, and put up a strong fight for his amendment, but finally lost after a long debate.

The vote on the Beard disfranchisement measure was as follows:

Ayes—Hudson, Adkins, Baker of Twentieth, Baker of Twenty-ninth, Beard, Broome, Cook, Cone, Davis, Dayton, Flournoy, Girardeau, Leggett, Massey, Miller, Sams, Sloan, West, Williams, Withers—20.

Nays—Buckman, Crill, Cottrell, Henderson, Hosford, Humphries, Johnson, McCreary, McLeod, McMullen—10.

One thousand copies of Mr. Beard's speech were ordered printed.

Bills on Second Reading.

Senate Bill No. 46, Massey, requiring teachers summer training schools and appropriating $4,000 a year for two years. Senator Dayton offered amendment to have one school at Dade City.

Senator Miller believed State should pay the teachers money already owing them before making such appropriations.

Senator Buckman held that there should be a limit and that if the Dade City claim was granted there would be many others with claims equally strong.

The amendment was lost.

Senator Cone offered an amendment providing that the bill relate only to white teachers.

The bill went to third reading.

IN THE HOUSE.

TALLAHASSEE, May 1.—Having on Wednesday indefinitely postponed action on a bill providing for an appropriation sufficient to guarantee the expenses of teachers while attending summer schools, the House yesterday passed a bill requiring teachers' summer training schools and making an appropriation for the maintenance thereof. An effort was also made to indefinitely postpone action on this bill Wednesday, but motion to such effect was lost by the close vote of 30 to 29. The bill then went to third reading, and was taken up in regular order on the calendar yesterday. The bill provides for an appropriation of $4,000 per year for two years for the maintenance of these summer schools of instruction. Strong argument was made in favor of the passage of the bill. Mr. Carn of Marion, the introducer, held that the provisions of the measure tended to encourage the school teachers to greater hopes of achievement, thereby placing the school system of the State upon a higher standard of efficiency.

The merits of a bill providing that all litigation in which the State may be interested shall be under the supervision and charge of the Attorney-General, creating the office of Assistant Attorney-General, and fixing the salaries of the Attorney-General and such assistant, were made a target in an interesting argument, which was abruptly ended by the arrival of the hour of adjournment. The House seemed very evenly divided on the measure. Some took the view that the State's interests, where involved in litigation, should be protected by special counsel as at present. Others held that all legal business should be concentrated to some central point, the office of Attorney-General acting as medium. Argument on the merits of the measure will be resumed at today's session of the House.

Judge Carlisle Returns.

Judge J. A. Carlisle, who has been absent from the city for the past few weeks, returned Friday. During his vacation he visited Hot Springs, Ark., and other prominent points and is highly elated over his visit to the springs, the waters of this resort having greatly improved his physical condition. He has about been relieved of the rheumatism.

Free Demonstration of Cooking.

The Southern Cotton Oil Company will give a public cooking demonstration at the Hyde store commencing on Monday, May 3rd, and lasting for five days. They will show what can be done with the goods made by them, the famous Snow Drift Hogless Lard and Wesson's Cooking Oil. See announcement elsewhere.

No Business Houses Will Open in Gainesville Today

Today the city will be closed tight and you will be unable to purchase even a cigar if the law as it appears on the books is enforced.

In speaking with Mayor Davis last night the reporter was informed that he would allow the milk wagons, ice wagons and bread wagons to run today, but unless some action is taken by the council at its meeting Monday night they would also be required to stop business on the Sabbath.

The drug stores will all be closed, for no provision is made for anything except newspapers and livery stables, which means that the "lid" will be as good and strong all of today.

Postmaster Lynch desires that all patrons of the postoffice bear in mind that the closing law does not in any manner interfere with the mails, as it seems several people have been led to believe that there would be no delivery on Sunday. The usual hours will be observed at both windows in the postoffice.

The hotels and restaurants yesterday posted notices that they would not sell cigars today, and the druggists all notified their customers that they would also be closed, and about the only chance of securing a cool drink today will be to order it with your meals, unless you are at home and can provide it yourself.

Wreckers Drew Spikes That Held Rails on Trestle

WAYCROSS, Ga., May 1.—Bob Belford, colored, is fatally injured as a result of a successful wreck plotted by unknown parties during Thursday night, ditching the first train out yesterday on the McMillan Company's road from Beach. Two trestles about three miles from Beach were the points selected by the wreckers, the spikes in the rails having been removed. An engine and one car went through the first trestle.

Of twenty-six men on the flat car in the rear of the engine but one was badly hurt. Belford's injuries are regarded as fatal. Several were badly bruised. The slow speed at which the train was going prevented a more serious accident.

Deputy sheriffs from Waycross went to the scene of the wreck as soon as notified, carrying bloodhounds. All the morning was spent in trying to locate the parties. The tracks showed that there were three or four persons about the two points where spikes had been removed. Their identity is unknown, but the matter wil be thoroughly investigated. The McMillan road connects with the Atlanta, Birmingham and Atlantic at Beach, where their sawmill is located.

All of these cases will attract large crowds to the city owing to the prominence of the parties connected, and the term promises to be a busy one.

U. S. COURT NOT TO HAVE SPRING TERM

JUDGE SHEPPARD BUSY IN SAVANNAH IN TURPENTINE CASES.

Time Will Be Taken Up Thereafter in Tallahassee for the Regular Session.

Owing to the absence of Judge W. B. Sheppard, there will be no regular term of United States Court in Gainesville this month, which is the usual time for holding the spring term.

Judge Sheppard is now busy in Savannah in the turpentine cases which are pending and it will yet be several weeks before he has finished there, and this is to be followed by a regular term of court in Tallahassee.

There are only two prisoners confined in the county jail that would be tried at this session, and should any more cases appear a special term can be held later, if the occasion demands.

At the last session of the court in Gainesville many cases were disposed of and it brought a large number of people to the city.

LETTER TO W. F. CELLON,

Gainesville, Florida.

Dear Sir: The paint question boiled down is simply this:

The paint that takes least gallons, wears longest; always.

Here's an instance:

E. O. Perry, East 8th street, Erie, Pa., painted two houses, same size; one Devoe, the other with another paint at same price; took 3 gallons Devoe to 4 of the other; and in 3 years Devoe was the better looking job. Yours truly,

82 F. W. DEVOE & CO.

P. S.: The Gainesville Hardware Co. sell our paint.

NATURE SPARES

The Stricken Rose From Grief.

What a fortunate provision of nature it is that deprives the rose of mental suffering; for how poignant would be its grief to discover, in the height of its blooming glory, that a canker fed at its heart, and that its beauty and fragrance were doomed forever. Nature always spares the suffering; she is a veritable store-house of pleasing rewards, for those who seek her aid. In the years gone by falling hair and grayness have cast a gloom over the lives of thousands of young women, but thanks to the investigations of scientists the true cause of hair destruction is now known to be a germ or parasite that burrows into the hair follicles. Newbro's Herpicide absolutely destroys this germ, thus permitting the hair to grow as nature intended. Sold by leading druggists. Send 10c in stamps for sample to The Herpicide Co., Detroit, Mich. J. AMATEUR VAUDEVILLE TOMORROW NIGHT

PROGRAM PROMISES TO PLEASE THE PUBLIC.

Show Will Be Given for Benefit of University Athletic Club and a Good House Hoped for.

Everything is about in readiness for the presentation of the Gainesville Amateur Vaudeville show, which event takes place at the New Baird Theatre tomorrow night. The bill promises to be the very best of its kind ever seen in this city, barring none.

The rehearsals have been progressing steadily for the past ten days, and the performers are now in shape to present a really creditable show.

Mr. Arthur Allen, who has been coaching the various sketch teams that are to take part in the show, needs no commendation at the hands of the writer. Come and see him for yourself and if he don't make you laugh, it can't be done. His blackface monologue alone will be worth the price of admission.

The bill will open with Pile, Bouis and Peacock in new acrobatic "stunts." This will be followed by Mr. Allen's monologue. No. 3 on the bill will be Prof. Woltz in an eccentric musical act. He will play six or eight different kinds of instruments. This act will be followed by a clog dance, then the announcement of the prize-winner in the ticket-selling contest. Then the one-act college play entitled "The 'Varsity Halfback," in which Gric Gibbs is starring. He will be ably supported by Messrs. Carl Bennett, A. Allen, Lawrence Jackson, Clifford Haughton, John Moody, Rufus Kirby and Ed Clark.

The first act after the intermission will be Mr. Ed Wellington in a characteristic Irish monologue. As a comedian Mr. Wellington needs no introduction to the people of Gainesville.

This will be followed by "That Quartet," in popular songs and choruses. The quartet is composed of Messrs. Steffee, McNamara, Armstrong and Hertel.

The show will close with a one act farce, "Grady's Hotel." This will be a "scream" all the way through. The caste will be Rufus Kirby, Arthur Allen, Harold Murray and Edward Clark.

Box office open at 7:30, curtain at 8:30.

"TO THEM THAT HATH"

A SHORT SERMON TO FAT FOLKS

"To them that hath shall be given" is a sentence that applies to fat people very neatly. It is common knowledge that once a human being begins to fatten up, to what they have already is added more than they want until finally a stage is reached where reduction must be made or decided disadvantage results.

Then comes forward the ages-old querry, "Reduce—but how?" To the uninformed nothing suggests itself but the (to them) twin evils—less eating—more activity. They contemplate a more or less lengthy siege of dieting and exercising. So it may be said safely that every man or woman in the land now undergoing the fattening-up process has his or her mental eye fixed dubiously on that not far distant day when he or she will have to don the "ashes and sackcloth of reduction."

This is not an enlivening prospect, and so it is with considerable satisfaction that we announce the exploitation of the fat. Nowadays one may reduce much or little, a pound a day if desired, or hold their fat in check, sloughing nothing without doing a bit of exercise, missing a single meal, doing a particle of living except that a solitary nibble. All's that required, as hugely lauded in the talking after meals and at lectures of the Mattola Prescription Tablet, which tablets are sold by the Mattola Company, Dept. 281, Detroit, Mich., at any good druggist at the uniform price of 75 cents, this price being accepted for a case of tablets so well and generally filled that every one produces desirable results.

Biliousness and Constipation.

For years I was troubled with biliousness and constipation, which made life miserable for me. My appetite failed me. I lost my usual force and vitality. Pepsin preparations and cathartics only made matters worse. I do not know where I should have been today had I not tried Chamberlain's Stomach and Liver Tablets. The tablets relieve the illfeeling at once, strengthen the digestive functions, purify the stomach, liver and blood, helping the system to do its work naturally.—Mrs. Rose Peary, Birmingham, Ala. These tablets are for sale by all druggists.

Tornadoes have played havoc with life and property in various sections of the country during the past few days. One of Florida's foremost advantages is its almost total immunity from disturbances of this character.

It has leaked out at the War Department that the order to call a halt on the sale of discarded army rifles was issued that the United States might have a reserve supply of arms for volunteers in case of war, and not because the rifles were being sold to South American revolutionists.

Recruiting officers of the navy estimate that there will be about 25,000 enlistments into the naval service during the approaching fiscal year. Upon enlistment a man is furnished a complete outfit of clothing, etc., and for the next fiscal year the sum of $1,291,000 is available for the outfits of all enlisted men and apprentice seamen.

The announcement yesterday that Gainesville would be tight as a tick—commercially—today, caused much comment pro and con, but it was stated last night that the drug stores would be permitted to supply drugs to those in need, and that anything coming under the head of absolute necessities can be procured this Sabbath, as it is thought the council will take some steps to modify the situation tomorrow night. The druggists have decided to close today, however.

Sanford will shortly commence the paving of its principal streets with vitrified brick. The Herald says that while it will mean over three miles of hard-paved streets, the council did not decide on the project without mature deliberation, and the expense of the work will be so arranged as not to prove a yoke upon the shoulders of the taxpayers. There's no question about brick being the proper material for work of this kind, and it is to be hoped that the block now being paved on East Main street will serve as an incentive to other Gainesville property owners to follow the example.

THE CLARK-BRYAN MATTER.

The action of the House of Representatives in passing the resolution introduced by Mr. Alexander of Volusia has been freely discussed by the press of the State, and the opinions of many of the leading papers is decidedly favorable to the popular Congressman who resides in Gainesville.

Under the caption of "The House Puts Itself in a Ridiculous Position," The Tampa Tribune of April 29th says:

"In passing the resolution in reference to Frank Clark and William J. Bryan, the Florida House puts itself in a position that can only be described as ridiculous.

"It has unnecessarily attacked the record of a brilliant Floridian, a member of Congress, with whose conduct, as a Congressman, it has nothing whatever to do.

"It has expressed, virtually, a want of confidence in the Democracy of this Representative, and for the sole and only reason that he expressed in public the views of thousands of Democrats in this State and throughout the United States in opposition to the continuation of a leadership which has proved disastrous to the party.

"And, while insulting Mr. Clark, it has by no means complimented Mr. Bryan; for the vote on its own resolution certainly shows that at least 22 members of the House refused to endorse Mr. Bryan and were willing to go on record as refusing.

"Mr. Bryan will hardly consider it a compliment when he sees that, on a resolution endorsing his 'democracy' and hailing him as 'the matchless and the peerless leader,' a majority of only seven votes could be mustered in the body which sought to pay him tribute.

"Indeed, if Mr. Bryan manifests his usual self-respect, he will decline an invitation to address a body which thus closely divides on the question of his Democracy. Furthermore, Mr. Bryan is very apt to learn that he has been used, in the whole proceeding, as a club to strike a viciously jealous blow at Mr. Clark; in which event he will certainly decline, and without thanks.

"So, the upshot of the whole affair is that the House has insulted Clark, affronted Bryan and made itself ridiculous—all to no purpose save its own humiliation."

The Jacksonville Metropolis takes the following view of the matter:

"As an instance of frittering away valuable time by the Florida Legislature, we invite attention to the House journal of Tuesday, when the matter of adopting a resolution censuring Congressman Clark for his remarks derogatory to William J. Bryan in the House of Representatives at Washington a few days ago came up. The resolution was amended, discussed and substitute finally adopted. Now what was the benefit to be derived by the citizens of Florida from this piece of political grand-stand play? Few indeed are the taxpayers who care whether Clark was censured or Bryan vindicated. It was a matter of no consequence to men sent to Tallahassee to make laws.

"Mr. Clark was not at last censured, but Mr. Bryan's Democracy was indorsed. This does not make Mr. Bryan any better Democrat or Mr. Clark any less one, and was frivolous political nonsense from the start. The Legislature of Florida has something more to do than to define the political faith of Bryan or Clark or any other man. We really hope there will be no more of such business in the Legislature."

The Savannah News says: "An Indiana court has sentenced a misdemeanor convict, who pleaded that he was drunk, to one year's residence in a "dry" county, with the proviso that he send at least half of the wages he might earn to his family. Now, why isn't that a good idea? To have sent the convict to prison or the chaingang would have been to deprive his family of the means of support. By sending him into a "dry" county he was (nominally) removed from the temptation to drink and at the same time enabled to work for his family."

FIRE AT WALDO.

A. Ray Lost Home by Fire Thursday. Closing of School.

WALDO, May 1.—A. Ray lost his house by fire on Thursday. He discovered the fire at the kitchen flue when not larger than his hat, and with a bucket of water extinguished it on the outside, but before he could reach it on the inside it gained headway so as to be uncontrollable. Some things were saved, but there was no insurance. Neighbors rendered assistance. The place is situated near the canal, four miles from town.

Mrs. Jas. Ingram and Mrs. J. White attended the Grand International Auxiliary of the Brotherhood of Engineers in Jacksonville on the 25th inst. A sumptuous banquet was given and the address was delivered by Mr. Pounds of Birmingham.

Miss Edna Cheves passed through Waldo Tuesday to her home in Gainesville.

Rev. Henry Hice filled the regular appointment of the pastor of the Methodist church on Sunday, and preached an excellent sermon. Rev. T. L. Z. Barr remained in Leesburg, where he is assisting Rev. Hice in a revival meeting.

Dr. Andrew Jolly has been quite ill but has about recovered.

Mrs. A. G. Masters has returned from an extended visit to relatives in Jacksonville.

Hoyt Simms has returned from the Atlanta Barber College, which is conducted by Geo. O. Branning.

Conductor Horace Ross is having continued fever, but is improving. Miss Morris of Jacksonville has been attending him as trained nurse.

Ernest Weeks has returned from New York, called to the bedside of his mother, who is very ill.

A very lengthy program is published in The Waldo News giving the exercises of the High School for Sunday and three succeeding days in closing the year. Rev. S. B. Rogers of Gainesville will preach the sermon. Capt. G. M. Lynch will deliver an address and County Superintendent Kelley will deliver the diplomas.

The Methodist and Baptist Sunday schools had an enjoyable picnic Saturday at Earleton, reaching the grounds by steamer and vehicles.

Beans Jump in Price.

It was stated yesterday that beans had jumped up to $2.25 to $2.50, which is a handsome increase over what the truckers have been receiving for the past several days. The country was largely planted in beans, but the dry weather has had a great deal to do with the yield.

There is more catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease and by constantly failing to cure with local treatment, pronounced it incurable. Science has proven catarrh to be a constitutional disease and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, Ohio, is the only constitutional cure on the market. It is taken internally in doses from 10 drops to a teaspoonful. It acts directly on the blood and mucous surfaces of the system. They offer one hundred dollars for any case it fails to cure. Send for circulars and testimonials. Address,

Merchants in Contest Are Also Receiving a Nice Trade, as All Candidates Are Working.

The Co-Operative Contest is the most interesting enterprise started for some time and already the many merchants and business houses connected with it are reaping benefits.

Each and every one of them have heard from it in a substantial manner and the work has not yet fully begun, as in some sections the people receive only The Twice-a-Week Sun and only get to read of it at these times. Quite a number of the workers have subscribed for The Daily Sun and besides this are sending in clubs of dailies from their districts, which shows that they are working in two ways—they get the votes on the subscriptions and then get the coupons in all the dailies that go their way.

The result of the count to 4 o'clock p. m. Saturday is as follows:

DO IT NOW

Gainesville People Should Not Wait Until It Is Too Late.

The appalling death-rate from kidney disease is due in most cases to the fact that the little kidney troubles are usually neglected until they become serious. The slight symptoms give place to chronic disorders and the sufferer goes gradually into the grasp of diabetes, dropsy, Bright's Disease, gravel or some other serious form of kidney compaint.

If you suffer from backache, headaches, dizzy spells; if the kidney secretions are irregular of passage and unnatural in appearance, do not delay. Help the kidneys at once.

Doan's Kidney Pills are especially for kidney disorders—they cure where others fail. Over one hundred thousand people have recommended them. Here's a case at home:

Mrs. A. H. Leonard, 304 E. Liberty street, Gainesville, Fla., says: "I feel that from personal experience and that of several of my friends who have used Doan's Kidney Pills, I can endorse them very highly. Any person suffering from backache, headaches, chills, nervousness or any of the other symptoms arising from disordered kidneys, will make no mistake in giving Doan's Kidney Pills a trial. They always act quickly, cause no inconvenience and live up to the claim made for them."

S.S.S.

CURES OLD SORES

We want to show you in this short, but honest and reasonable talk, how and why S. S. S. cures Old Sores. We do not claim that S. S. S. works wonders, but we do know it will cure sores and ulcers, and its record of forty years past abundantly justifies this confidence.

Any old sore shows an unhealthy and impure condition of the blood. It is a diseased condition of the flesh at that particular spot, caused and kept inflamed and irritated by a continual discharge into it of unhealthy matter from the circulation. In various ways the blood becomes contaminated and polluted. A long spell of fever, or other sickness, breeds disease germs in the system; the failure of nature's eliminative members to remove the waste and refuse matters of the body, the excessive use of minerals in certain diseases, infected wounds, bites and stings of insects, etc., all contaminate the blood with morbid matter and germs which sooner or later manifest their presence by a sore or ulcer which refuses to heal under the ordinary treatment of local applications.

External treatment can never cure a chronic sore or ulcer, because it does not reach the blood. The place will remain open as long as it is used as a drainage for the impurity which is in the blood, and in addition to the worry and anxiety caused by an old sore, there is always danger of its becoming cancerous, if a cure is not effected. Purify the blood, and nourish the flesh with a rich, healthy circulation, and then the place will heal of its own accord.

BAD SORE FROM AN OLD WOUND.

I want to recommend S. S. S. to any who are in need of a blood purifier, and especially as a remedy for sores and obstinate ulcers. In 1877 I had my leg badly cut on the sharp edge of a barrel and having on a blue woolen stocking, the place was badly poisoned from the dye. A great sore formed and for years no one knows what I suffered with the place. I tried, it seemed to me, everything I had ever heard of but I got no relief and I thought I would have to go through life with an angry, discharging sore on my leg. At last I began the use of S. S. S., and it was but a short time until I saw that the place was improving. I continued it until it removed all the poison from my blood and made a complete and permanent cure of the sore.

250 Navy St., Brooklyn, N. Y. JNO. ELLIS.

A CANCEROUS ULCER.

I had a large sore or ulcer on my face and nothing I tried would benefit me. It began with shooting pains and soon the itching was terrible. At first it discharged a watery fluid which soon changed to one of thicker composition and the pain became very severe. It was nearly as large as a dollar and terribly inflamed in all the surrounding parts. It had been there so long and growing worse all the time, I became very much discouraged and alarmed. At last I began the use of S. S. S. At first the ulcer seemed to get worse, but I soon found that the poison was being removed from the blood and I continued to take S. S. S. It was not long before I noted a decided improvement and I kept up the use of the medicine until I was entirely cured of this cancerous ulcer. This has been some time ago and there is no sign of a return of the trouble.

Gary, Fla. MRS. W. A. WRIGHT.

POISONED FROM INSECT BITE.

Wilmington, N. C.

From the bite of an insect I was poisoned and had a dreadful sore on my ankle and took different treatments with no benefit. I was induced to try S. S. S., and after a few bottles it cleared my system and cleansed my blood and cured the sore. My mother took it for rheumatism, with success. I cheerfully recommend S. S. S. where a blood purifier is needed.

109 South First St. CHAS. S. PRIDGEN.

S. S. S. cures old sores by removing the causes which produce them. It goes down into the circulation, drives out all impurities and poisons, and by nourishing the flesh with rich, pure blood causes the place to heal naturally and permanently. S. S. S. does not make a surface cure, but, being the greatest of all blood purifiers, it begins at the bottom and by rebuilding broken down tissue, and supplying healthful, healing qualities to the circulation, causes the place to fill in with firm, healthy flesh, while it steadily but surely removes the cause and effects a permanent cure. The sore cannot remain when the blood is pure, and S. S. S. will thoroughly purify the blood. Book on Sores and Ulcers and any medical advice free to all who write.

S. S. S. is for sale at all drug stores.

MOTHERS' MEETING.

Held at Home of Mrs. Alston McKinstry, April 27th.

One of the most pleasant and helpful of the W. C. T. U. Mothers' Meetings of the year was the one held April 27th at the home of Mrs. Alston McKinstry. An unusually large attendance and many new faces added much to the interest of the occasion.

The program was as follows, led by Mrs. Fr. Spencer in reading the Scripture lesson from 31st Chapter of Proverbs:

Prayer by Mrs. L. Starke.

Piano selection, "Little Red Rock-a-Chair"—Mrs. W. S. Torrey.

Piano solo—Miss Mary McKinstry, one of Gainesville's promising young musicians.

Selection—"Importance of Early Training."

Song by Mrs. L. C. Coles.

Paper, "Mother Beautiful"—Mrs. G. I. Poig.

Recitation, "When Mothers' Ship Comes In"—Miss Agnes Spencer.

Paper, "Home Beautiful"—Mrs. A. Creighton.

Piano solo—Mrs. W. F. Yocum.

We are unable to give all the names of piano solos not having them at our disposal.

During the serving of delicious ice cream and vanilla wafers, Mrs. Coles entertained the company by musical selections on one of Edison's phonographs which she kindly furnished for the occasion.

Everyone pronounced the meeting a success in every respect, and wishing many thanks to the hostess bade her a lingering adieu.

Chamberlain's Liniment.

This is a new preparation and a good one. It is especially valuable as a cure for chronic and muscular rheumatism, and for the relief from pain which it affords in acute inflammatory rheumatism. Those who have used it have invariably spoken of it in the highest terms of praise. Lame back, lame shoulder and stiff neck are due to rheumatism of the muscles, usually brought on by exposure to cold or damp, and are quickly cured by applying this liniment freely and massaging the affected parts. Soreness of the muscles, whether induced by violent exercise or injury, is allayed by this liniment. For sale by all druggists.

DR. KELLEY RETURNS.

Says Some Good Work Is Being Done for Cause of Education.

County Superintendent J. L. Kelley, who has been absent the greater part of the week in Tallahassee, returned to his home here Saturday, and is elated over his visit to the capital and the work that he feels has been accomplished for the cause of education.

He states that the Doke bill, which is practically the same as that of Senator McCreary, has been favorably recommended and if it becomes a law will give Alachua county the benefit of a State bill, as it will enable the county to select and have its own uniformity of school books, thereby doing away with the expensive State commission.

Senator McCreary and Representatives Carter and Doke are all hard at work and are guarding the interests of the county in a very watchful manner. He states that the Senator was the recipient of one of the largest individual floral offerings he ever saw, it being placed on his desk, bearing a card from the ladies of the W. C. T. U. of Gainesville.

Rev. I. W. Williamson's Letter.

Rev. I. W. Williamson, Huntington, W. Va., writes: "This is to certify that I used Foley's Kidney Remedy for nervous exhaustion and kidney trouble and am free to say that it will do all that you claim for it. Foley's Kidney Remedy has restored health and strength to thousands of weak, run down people. Contains no harmful drugs and is pleasant to take. J. W. McCollum & Co.

Mrs. Chesnut's Funeral.

The funeral services of the late Mrs. John Chesnut were held at the residence on Saturday afternoon at 3:30, a large number of sorrowing friends having assembled to pay their last tribute.

Rev. P. H. Craighill, pastor of Holy Trinity church, conducted the services and paid a high tribute to the noble lady who has just passed to the great beyond.

If you desire a clear complexion take Foley's Orino Laxative for constipation and liver trouble as it will cleanse your system and thereby give it a healthy appearance. J. W. McCollum & Co.

The Exercises a Brilliant Affair—Excelled All Former Occasions.

(Contributed.)

The closing exercises of the above-named school took place for four nights at Johnson's Hall with the various grades of the school. Standing room was at a premium.

The commencement exercises on Wednesday evening, at Mt. Pleasant M. E. church, were indeed interesting and of a high order. Nearly four hundred persons were present. Twelve students delivered their orations and received their diplomas. The address to the class was made by Dr. Hawkins of this city, which was a masterly effort and eloquent from start to finish.

The Rev. D. W. Rowe, in a very dignified manner and with choice language and thoughts, presented the prize to Miss Bertha M. Jones, who made the highest mark in the class.

Dr. J. Harvey Smith of Jacksonville, after a few interesting and timely remarks to the class, amid great applause, delivered the diplomas.

The students who were advanced to the senior class and who will graduate in another year, are as follows: Janie Wheeler, Elizabeth Whitaker, Deliah Murrell, Willie Mae Burton, Ella Childs, Alex Kinsey, Julia Parker, Ethel Clark, George Walters, Edna James, Edwin Brown, Willie McNeal, Flora Patrick, Maggie Benson, Aleatha Weathers, Ella Feltner.

The school has to pay all of its running and incidental expenses. It has purchased a beautiful $300 piano and has paid $147 of this amount.
